definition of term in the licence conditions in the section relating to the end of this licence

Section 55 of the Environment Act requires the holder of a licence to comply with the conditions of the licence and to report any breach of the licence to the Environment Agency.

- ensure compliance with the licence conditions
- control the operation of the licence
- report any breach of the licence to the Environment Agency

The licence holder must comply with the conditions of the licence and must notify the Environment Agency of any breach of the licence.

The Environment Agency may revoke the licence if the licence holder fails to comply with the conditions of the licence.

The licence holder must ensure that the licence is used in accordance with the conditions of the licence and must report any breach of the licence to the Environment Agency.

This licence is in force until the licence holder notifies the Environment Agency of any breach of the licence.

The licence holder must comply with the conditions of the licence and must report any breach of the licence to the Environment Agency.

Other licence fees include:

- administrative fee
- other fees if applicable

licence

The EP licence holder is to include in the information to be provided to the licence fee holder the licence holder's name and contact details. The licence holder must also provide the licence holder's name and contact details to the EP licence fee holder within 14 days of the end of each reporting period. See condition 10 in the licence holder's reporting requirements.

The licence fee holder is to provide the reporting period

The licence holder can transfer the licence to another person in accordance with the provisions of the EP licence fee holder's licence.

Part 5 of the Act requires the EP licence holder to include in the information provided to the licence fee holder:

- the licence holder's name
- the licence holder's contact details
- the licence holder's name and contact details
- the licence holder's name and contact details
- the licence holder's name and contact details

Under section 55 of the Act, the licence holder must provide the licence fee holder with the licence holder's name and contact details.
